A HORRIBLE MURDER.

One Negro Cuts Another's Jugular Vein With Razor—One Dead, the Other in Jail.

On Tuesday afternoon in the negro quarters in the eastern part of town, Archie Butler and Hilliard Allen, both negroes, became involved in a quarrel about some trivial matter when Butler drew a razor and cut Allen's throat, severing the jugular vein, from the effects of which died almost instantly. The sheriff was telephoned immediately of the crime, and in a very short time had Butler safely behind the bars. Butler had been detained at the scene of his crime by other darkies, who knew the sheriff had been telephoned for.

A negro named Price was also arrested as an accessory to the crime, and placed in jail. On Saturday they will be given a preliminary hearing before Justice Leslie. The principal, we understand, will plead self-defense.

It is impossible to get much information about the facts or the real cause of the trouble in this case, but from what we have heard it is one of the most cold-blooded murders ever committed in this county.

"Doan's Ointment cured me of eczema that had annoyed me a long time. The cure was permanent."—Hon. S. W. Matthews, Commissioner Labor Statistics, Augusta, Me.

Cure every kidney ill

Many people in this country recommend Doan's Kidney Pills

Here's one case

N. L. Parrish, photographer, Highlands St., Lake City, Fla., says:

"Some time ago I was suffering from pains in my back and sides, often so severe that I had great difficulty in getting up or down. There was also an irregularity in the passages of the kidney secretions and this caused me additional annoyance. I had often heard of Doan's Kidney Pills and at last procured a box and began their use. I am glad to say that they acted just as represented. The first few doses relieved me and further use resulted in a complete cure. I have not had a sign of kidney trouble since and for that reason highly recommend Doan's Kidney Pills to persons afflicted as I was."
